Throughout the season for the five major European leagues, the Big-5 Weekly Post presents exclusive data on club composition and players' pitch performance. All of our statistics are carefully reviewed using a detailed methodological approach to ensure academic accuracy. Analysis published in the Big-5 Weekly Post is only part of a broader spectrum of data that that thanks to our partner Opta Pro can also be produced in real-time and be made available to a wide array of clients, such as broadcasters, websites, newspapers, clubs, leagues, national associations and bookmakers.
